

Redmond High School Home Football Games

Friday Nights September 3, 17; October 1, 22 and 29

Please announce or communicate with your parents that all elementary and junior high school students (even 9th graders) will not be admitted to Redmond High School home football games unless the student is accompanied by a responsible adult (Kingco rules state a high school student for these events is not considered a responsible adult).

Please be aware that an Administrator will be calling the parents of those students who arrive without being accompanied by a responsible adult and asked to pick up their student!

Your communication to parents regarding the information above is gratefully appreciated.
